Notes:

- Best 24 credits earned in Fall, Winter and Spring 2023-2024 in HKUST**
- If credits are transferred for the courses, other course grades would be used in the calculation.**
- Engineering Introduction courses are BIEN1010, CENG1000, CENG1500, CENG1700, CIVL1100, CIVL1210, COMP1021, ELEC1100, ELEC1200, ENGG1100, IEDA2010, ISDN 1001, ISDN1002, ISDN1006, MECH1902, MECH1906 and MECH1907.**
- If students have been confirmed to have committed cheating in a course, the grade point of that course (usually zero) must be included in the “Best 24 credits” for deriving the ranking position as a way to deter students from cheating.**
